6. (Unclassified - CEA) Delivered Agency maps to Congressmen Bevill, McClure, McDonald, and Vander Jagt to assist them in finding the Agency for the 17 August breakfast. Congressmen Cowger and McDonald confirmed that they would be coming to the breakfast.

7. (Unclassified - CEA) Talked to Mr. O'Donnell, in the Bureau of the Budget, in response to his call concerning S. 1418. He was unaware that I had previously talked to [redacted] on this and after I had noted that we had no comment, he said no further action would be necessary.

8. (Internal Use Only - JGO) In the absence of Mr. James R. Calloway, Chief Clerk, Senate Committee on Government Operations, met with Mrs. Anne Kalland, Clerical Assistant to Mr. Calloway, concerning the letter of 3 August from [redacted] forwarding copies of correspondence with the Agency. After the discussion Mrs. Kalland noted her appreciation for my visit and advised that she would note the correspondence for file. Should any further action be desired, Mrs. Kalland will advise, but she is certain that this will be the close of it.

9. (Internal Use Only - JGO) In response to his call of yesterday afternoon, met with Mr. Jack Matteson, House Subcommittee on Foreign Operations and Government Information, and reviewed with him the Agency handling of correspondence with [redacted]. The prime interest of the Committee Chairman, the level at which it was handled within the Agency, was well satisfied in this case. Mr. Matteson noted for his report back to the Chairman that personal contact had been made on 8 August by the Agency's Director of Personnel and [redacted] requests satisfied. Mr. Matteson indicated that no further action on the part of the Agency will be recommended. Mr. Matteson was supplied with a copy of the Agency professional brochure and application forms.
